Please read the instructions below fully before first use.  
Follow them and keep them for future reference.

CE 102804

## Assembly Instructions

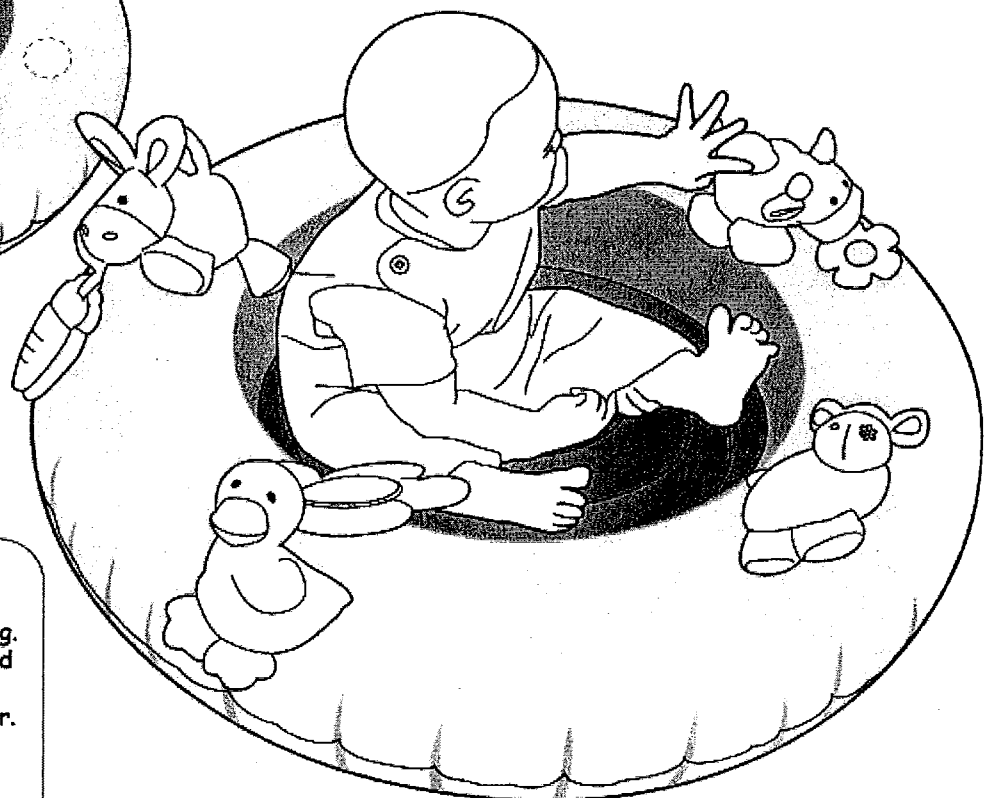

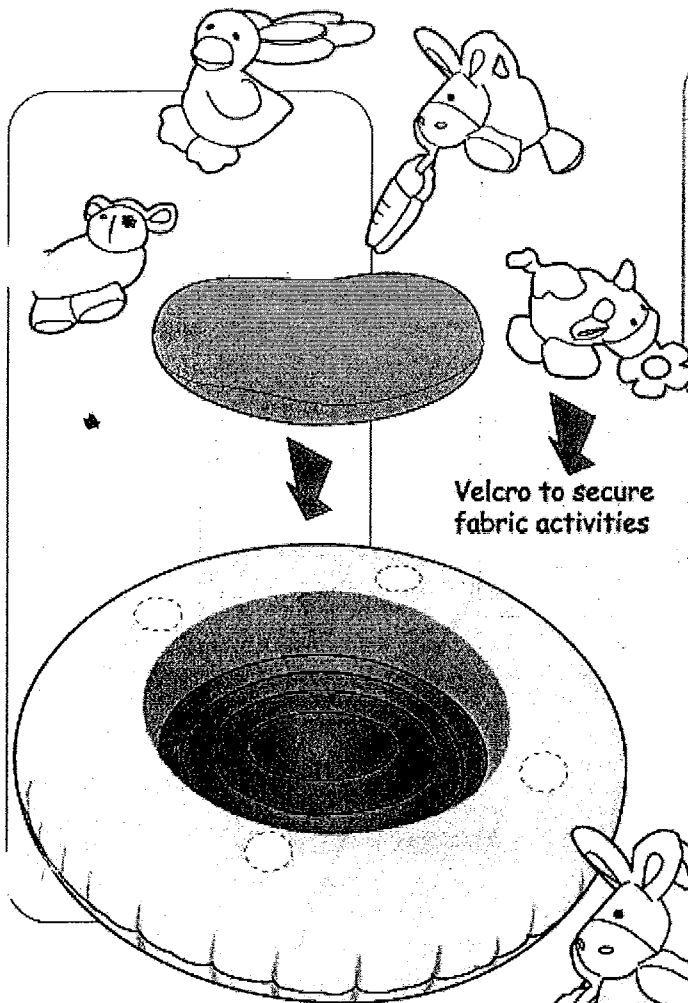

Always place on a cleared flat surface away from sharp objects and stones.

This product must only be inflated by an adult. Inflate with either a foot or hand pump (do not use pressurized air).

The inflatable ring can be used semi-inflated for younger babies.

Ensure that the stoppers are fully inserted by checking regularly.

The inflatable ring is intended for use during your baby's waking hours. It is not an alternative to a cot. Always transfer your baby into her cot when she falls asleep, and never leave your baby unattended.

## WARNING!

Never carry your baby in the inflatable ring.  
Never use the inflatable ring on an elevated surface (e.g. a changing table).  
This toy is not intended to be used in water.  
Keep away from fire.  
Wipe clean only.  
Dry away from direct heat.
