

# Old Macdonald's Farm Game

Be the first to fill Old Macdonald's Farm with animals!

**Contents:** 4 Old Macdonald Farm boards, 24 animal shapes and a spinner.

**Number of players:** 2 - 4

**Object:** Be the first to fill Old Macdonald's Farm with animals.

**How to play:**

To start the game each player is given an Old Macdonald Farm board. Press out the animal shapes and lay them out on the table in front of you. The youngest player then spins the spinner and takes the corresponding animal the pointer indicates. Play then moves clockwise to the next player in turn. If the spinner selects an animal that the player already has, the player doesn't pick up any animals. The first player to fill their Old Macdonald's Farm is the winner.
