instructions

1

Bug Barn

2

Creature Net With Handle

Use the creature net to catch flying bugs and insects. Be careful about what you capture, some insects have stingers. Always have an adult help you remove any insects from the net.

3

Magnifier

Your Bug Barn kit includes all you will need to observe some of nature's smallest creatures living in your very own backyard. The included magnifier is a great tool for getting close-up and seeing all the details!

4

Tweezers

Tweezers are great for handling hard-shelled insects. Be careful not to squeeze too hard!
